Supranational Governance at Stake

The EU's External Competences caught between Complexity and Fragmentation

Edited by **Mario Telò**, Université Libre de Bruxelles, Belgium, and LUISS-Guido Carli, Italy, and **Anne Weyembergh**, Université Libre de Bruxelles, Belgium

Series: Globalisation, Europe, and Multilateralism

This book examines the varied competences of the European Union (EU) in relation to its capacity to externalize its policy preferences. Specifically, it explores the continued resilience within the EU's policy toolbox of supranational modes of governance beyond the State.
